

# Reimbursement Policy

The policy of partial reimbursement of travel and accommodation costs to AGA10 is that 50% of the Zone Rates shown in the table below will be reimbursed participants.

The eligible participants are as follows:

- (1) One delegate and one student from each member university/faculty
- (2) One speaker for each paper selected by the paper committee of AGA10

Please ensure that you read and understand the ZR System on Reimbursement before you register for the conference.

Payments for reimbursement will be made to the participants in cash at the conference. Reimbursement amounts will be based on the geographical zone in which the IAMU institution is located. It is the responsibility delegates/students to meet all costs they incur. Any variation between actual flight reimbursement amounts must be met by the eligible delegates/students.

The Local Executive Committee of AGA10 kindly advises all the participants (one delegate/student from each member institution and one speaker for each paper) to buy economic airplane ticket month in advance in order to get the most favorable price. If you have any questions, please feel free to contact us (<http://gma.ru/iamu10>).
